

The Stylish Planner Featured Planner Questionnaire

Featured Stylish Planner of the Week Submission Guidelines:

Every week, The Stylish Planner shares with our readers a wedding and/or event planner that we feel has a great sense of style. In order to be considered for The Stylish Planner of the week, the following criteria should be met:

- You must be a professional wedding or event planner with an active single domain website.
- Your submission should include several recent photos of yourself in different looks. Photos should meet the following criteria:
 - Photos should be no more than 6 months old
 - Photos should have been taken at an actual wedding/event in which you were the planner, OR taken at an industry event (i.e., associational meeting, bridal show, open house, grand opening, vendor appreciation, etc.)
 - Photos should include at least one full head to toe shot if possible
 - Photos **must** include at least one waist-up shot
 - Photo should not be smaller than 300 pixels in width. (We can adjust if larger than this.)
 - Preferred photo format is .jpg. If you choose to submit .gif or other files, please know that we reserve the right not to use them. Photo formats other than .jpg appear grainy and are difficult to enhance for the website.
 - Photographer credit **must** be included with photos! (Please include photographer's name and website.)
- If you would like to be considered as The Stylish Planner of the week, please complete the attached questionnaire and return it via e-mail to info@thestylishplanner.com with "Featured Planner Submission" in the subject line. Please remember to include photos of yourself according to the above criteria.

You will be advised if you are chosen to be featured as a Stylish Planner and when your feature will be posted. Once your feature is posted, you will receive a badge (shown below) for your website or blog.
